

Jazz Music Library

The largest, most comprehensive online collection of jazz recordings available anywhere

ALEXANDER
STREET PRESS

- **The largest online collection** of jazz, growing to **120,000 recordings** in 2010
- **The highest quality content**—the world's most renowned artists, performances, and record labels, including Verve, GRP Records, and Impulse! Records—because, as any audiophile will tell you, there *is* a difference
- **The most comprehensive coverage** in every jazz genre and time period and featuring jazz artists from around the world
- Uniquely **powerful search and browse capabilities** powered by Alexander Street's *Semantic Indexing*. Quickly identify multiple interpretations of the same work, browse by instrument, historical period, instrument, sub-genre, and more
- **New low price points!**

Coming Soon...

- **The best recording quality**—increasing to **320 kbps** for most recordings
- **On-the-go access** via your handheld mobile device, including the iPhone, iPod, and iPad!
- **Searchable liner notes**
