

Alexander Street, a ProQuest company, is streamlining and enhancing some subscription databases to improve the research experience and make it easier to map products to faculty teaching, curriculum and research interests. As part of this update, some Alexander Street subscription databases are being upgraded. See below for a list of updates.

Access to the upgraded product will be available at the start of the new subscription term

Discipline	Current Subscription Product	Upgrade Product (Link below to marketing page for more info)	Product Access URL
