# 60 MINUTES: Volume 2

## New segments 2015-2025

Building on the success of the **60 MINUTES: 1997-2014** collection, we are proud to release Volume 2, extending our coverage from 2015-2025. This product provides students, faculty, and researchers with access to news coverage, investigative reporting, and feature segments of the most important global issues of our time. This collection will also include segments from **60 MINUTES II** spanning 1999-2005, for even more comprehensive historical coverage.
