

Academic Video Online

More videos. Predictable cost. Build by Choice perpetual ownership.

With more titles (85,000+*) than any other video provider – including 21,000* exclusives, **Academic Video Online** gives your patrons unlimited access to the largest, most comprehensive video solution available, at a predictable annual cost. In addition, you also receive:

- **Build by Choice (Perpetual Rights):** Each year that you subscribe, you're able to choose eligible titles for perpetual ownership, as a free benefit with your subscription. The longer you subscribe, the more titles you own.
- **Media Hosting Service:** FREE to subscribing libraries. Upload an unlimited amount of files only visible to your patrons. Librarians set permissions, add metadata for discoverability and can embed or permalink, just like subscribed content.
- **Outstanding Streaming Video Experience:**
 - Single sign-on LTI integration within your learning management system
 - Scrolling and searchable transcripts
 - Clip-making functionality
 - On-screen transcripts
 - On-demand audio described video
 - **NEW!** Video Interaction Functionality

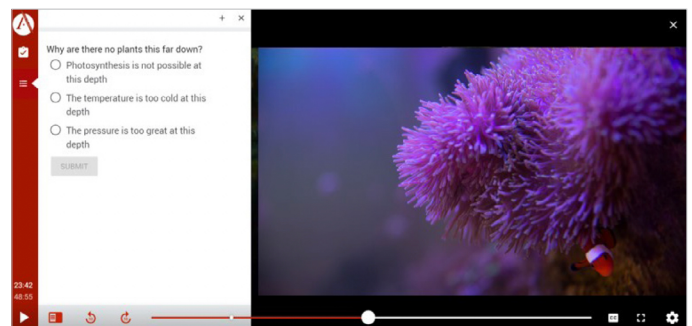

New! Video Interaction Functionality

Move beyond simply watching video to an active learning experience with our newest learning tool. Video interaction functionality connects library content to the classroom and enhances student engagement for faculty by can leveraging video for collaboration, reflection, and assessment of student knowledge and retention of course lessons and concepts.

Faculty can now embed pedagogical tools throughout our videos, including discussion prompts, multiple choice and free-form questions, polling, and more.

Results can be reported in the LMS gradebook, and access to real-time analytics can help faculty adapt their teaching to facilitate improved learning outcomes.

For libraries, video interaction functionality encourages integration of library resources into the curriculum/syllabi and further collaboration with faculty to increase the influence library resources have on learning outcomes.
