# BEHAVIORAL AND MENTAL HEALTH ONLINE

*The essential multimedia resource for behavioral and mental health programs*

With more than 2,500 videos and almost 3,500 books, documents and transcripts, **Behavioral and Mental Health Online** is a fundamental resource for studying and teaching in the areas of behavioral and mental health.

This ever-growing collection includes access to:

- Clinical mental health demonstrations
- Video of real therapy sessions
- DSM-5®/ICD-10 content
- Documentaries on the human condition
- Psychotherapy transcripts
- Client narratives
- Reference works
- Psychological experiments
- Textbooks

More than 80 percent of this content is only available from ProQuest.

## Pedagogical Benefits

- **Real therapy sessions and reenactments:** Hundreds of therapy sessions cover a wide range of theories and skills and include diverse clients and presenting issues.
- **Training videos:** Lectures and workshops focus on the latest research and evidence-based practices.
- **Transcripts:** 6,000 transcripts from real-life therapy sessions give researchers unprecedented access to presenting conditions and treatment.
- **DSM-5®/ICD-10 content:** The largest collection of DSM-5®/ICD-10 video content found anywhere, with assessments to gauge comprehension.

## Content Partners

- Microtraining Associates
- Symptom Media
