

The CNN Video Collection

The CNN Video Collection is designed to spark classroom discussions, support scholarly research and inform and engage students on the topics that impact today's world.

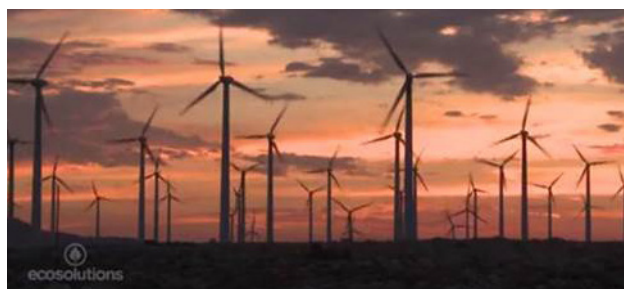

Geared toward academic and public libraries and available for the first time in the library market, this collection of CNN's specials and feature programming includes 450 high-quality videos covering business, economics, environmental studies, health technology, women's studies, human rights and more. It will continue to grow with additional titles through 2023.

Content Highlights

- *"We Will Rise: Michelle Obama's Mission to Educate Girls Around the World"*
- Interview series with female leaders including Beyoncé, Sheryl Sandberg, Oprah, Tina Brown, Michelle Wie, Nancy Pelosi and others.
- Series like *"Future Finance," "Passion to Portfolio," "Eco Solutions"* and more.
- Specials on human trafficking, global poverty and other human rights issues around the world
- Features on global cities, travel, world cultures, religion, food and lifestyles outside the western hemisphere
