PRODUCT INFORMATION

The PBS Video Collection: Third Edition is available to public libraries, universities, and K-12 schools in North America as a multiyear subscription.

During your subscription term, PBS will rotate in 125+ fresh titles each year between 2018 and 2020 to add relevant and engaging content. As with previous PBS collections, PBS will swap out titles during your subscription, however, your title count will continue to grow over your subscription term, and continue to provide your patrons the quality PBS content they expect.

VALUE PRICING

The price for this multiyear subscription is a one-time cost of only $8,630 and secures your PBS content through 2020.
