

Pipi Pupa & Rosmary

ProQuest Kids en Español

ProQuest Kids en Español is a Spanish-language streaming video collection designed specifically for early learners. With vibrant, engaging content, it will help children build vocabulary, strengthen foundational language skills, and spark curiosity, creativity, and joy.

Features

- **Thoughtfully curated selection:** Features 21 high-quality animated series for children ages 3–8 from Pragda KIDS.
- **Global favorites:** Enjoy beloved titles like *Molang* and the newly released *Alice's Diary*, many available to public and K–12 libraries for the first time.
- **Bilingual:** Many series are available in English and Spanish, supporting Pragda's mission to make enriching content accessible to young audiences worldwide.

Benefits for Young Learners

- **Vocabulary development** in a fun, engaging environment.
- **Foundational language skills** that set the stage for academic success.
- **Inspiration for imagination and creativity**, with stories that connect children across cultures.

"Our goal with Pragda KIDS and our partnership with ProQuest, part of Clarivate is to make top-notch children's shows accessible to families ad-free in a safe space, to Spanish and English-speaking communities, as well as those learning either language. It is a dream to impact younger audiences with fun, animated and unique programs."

Marta Sánchez, Pragda's Executive Director
