

REVOLUTION AND PROTEST ONLINE

Expertly curated multimedia collection gives context to world-changing events

Throughout history, revolution and protest movements have demanded the world's attention and driven political and social change. To understand the impact and aftermath of these events, it's imperative to shine a historical lens on the ideologies, origins, goals and stakeholders that drove them.

Curated in collaboration with faculty experts, Revolution and Protest Online focuses on both well-known and lesser-known independence movements, as well as labor movements, gender revolutions, student movements, nonviolent revolutions, guerilla movements and protest art. The accounts are presented to show each movement's origins, goals, methods, accomplishments and setbacks.

REVOLUTION AND PROTEST ONLINE IS COMPRISED OF MULTIMEDIA MATERIALS INCLUDING 175 HOURS OF VIDEO, 1,000 IMAGES AND 100,000 PAGES OF PRIMARY, ARCHIVAL, AND CONTEXTUAL WORKS*.

The primary sources in Revolution and Protest Online – including personal papers, documents, journals, books, reports, videos, monographs, speeches and more – enable students and researchers to investigate how revolutions, protests, resistance and social movements have shaped and transformed the human experience globally from the 18th to 21st centuries. The collection also includes links to websites that provide background for the curated primary sources and documentaries.
